REFRACTIVE INDEX

0.910 - 0.935
1.4700 -1.500

A combination of two potent **Super Fruit Oils** – Acai Fruit Oil and Pomegranate Fruit Oil – which have complementary treatment benefits. Useful in nourishing, moisturizing, protecting and healing dry, cracked or irritated skin restoring its suppleness and equilibrium, improves skin health, protects the skin from UV damage and slows the aging process. This blend possesses an impressive combination of:

- Omega 3, Omega 6 and Omega 9 essential fatty acids which moisturize skin by repairing the lipid barrier enhancing cellular function
- Phytosterols that protect the superficial layer of the skin from wearing away
- Vitamins (B1, B2, B3, C and E)
- Minerals (Iron, Phosphorus, Calcium and Potassium)
- Essential amino acids
- Anthocyanins that preserve connective tissues like collagen and Phenols having anti-bacterial properties. Both are also very powerful anti-oxidants trapping damaging free radicals and also have anti-inflammatory properties.
- Punicic and Ellagic acids - conjugated fatty acids that have strong anti-inflammatory properties which stimulate keratinocyte proliferation, promoting regeneration and strengthening of the epidermis.

This oil penetrates the skin quickly and has a light, greaseless skin feel. It is a highly beneficial ingredient in formulations intended to treat acne, reduce swelling and ease muscular aches and pains. This oil is good for your hair too! It deeply moisturizes hair, adding luster, and enriching hair color. Recommended for use in face and body treatment emulsions – day and night, liquid makeup, lipsticks, mascaras, eyeliners, conditioners, hair dressings, pomades and bath oils.

Key Product Attributes:

- Highly moisturizing
- Natural emollient
- Restores elasticity to the skin
- Powerful anti-oxidant properties
- Strong anti-inflammatory
- Anti-bacterial properties
- Protects skin from free radicals
- Quick absorption
