

## Jeasilc<sup>®</sup> 110 Luxurious Sensorial Modifier

**Jeasilc<sup>®</sup> 110** is a luxurious sensorial modifier comprised of multiple molecular weights of dimethicone balanced to produce a soft, cascading feel and prolonged playtime in any formulation. The end result is a lovely, elegant slip with enhanced gloss and satiny finish. It is equally beneficial to hair care formulations imparting silkiness and conditioning properties to the hair. It is clear, colorless, odorless, and is specifically formulated for the personal care industry for use in both skin and hair care formulations. **Jeasilc<sup>®</sup> 110** also provides an excellent base for color cosmetics with pigments easily dispersed for a smooth, spreadable feel.

### KEY BENEFITS:

- Enhances gloss
- Silky feel
- Prolonged playtime
- Hair and skin conditioner
- Protects skin
- Provides superior cushion
- Globally approved

### PRODUCT APPLICATIONS:

- Skin care products
- Color cosmetics
- Hair care products
