SECTION 7 – HANDLING AND STORAGE

7.1 Precautions for Safe Handling

Keep containers closed when not in use. Do not discharged into drains or the environment, dispose to an authorized waste collection point. Use appropriate containment to avoid environmental contamination. Avoid contact with eyes. Avoid drinking, tasting, swallowing or ingesting this product. Avoid breathing dust, mist vapors or spray. Wash thoroughly after handling. Empty container contains product residue which may exhibit hazards of product. Dispose of packaging or containers in accordance with local, regional, national and international regulations.

7.2 Condition for Safe Storage, including any Incompatibilities

Take precautions to avoid release to the environment. Keep from freezing. Store in a cool, dry, well-ventilated area. Keep container closed when not in use. Do not store at temperature greater than 120 degree F (49 deg C). Do not store in open, unlabeled or mislabeled containers. See Section 10 for incompatible materials.

SECTION 8 – EXPOSURE CONTROLS / PERSONAL PROTECTION

8.1 Engineering Controls

Use material in well-ventilated area only. Additional ventilation or exhaust may be required to maintain air concentrations below recommended exposure limits. Prevent inhalation by providing effective general and, when necessary, local exhaust ventilation to draw spray, aerosol, fume, mist or vapor away from workers.

8.2 Personal Protective Equipment

Gloves Procedures:

Use good industrial hygiene practices to avoid skin contact. If contact with the material may occur wear chemically protective gloves.

Eye Protection:

Chemical goggles or face shield.

Respiratory Protection:

Under normal use conditions, respirator is not usually required.

Clothing Recommendation:

Wear either a chemical protective suit or apron when potential for contact with material exists. Use chemically protective boots when necessary to avoid contaminating shoes. Do not wear rings, watches or similar apparel that could entrap the material and cause a skin reaction.
